Fw: SCOTs Request

Here's the two surveys, one for 449, and the other 211. Note, the SCOT was great to work with, but missed a few questions that I ended up putting in a google form. To reduce the amount of work on the students, I always give it to them in class and give a shpile about how much I want their honest take. Seems to go pretty well. Can you show you the data, too, if you like!

Perfect. The only trick is that I'd like to send these out Thursday morning--if you can't do it by then, no worries, but let me know in advance! I can stick them in a google form instead! Just let me know what works!

Add a rating question on a sliding scale of 10: "On an average day, do you feel excited to go this class in order to learn?"
Add a rating question on a sliding scale of 10: "On an average day, do you feel excited to go this class to have joy, see friends, and be part of a community?"

Hello,
I'm not sure if you can edit them because it's saved in my qualtrics surveys account. But please let me know if the corrections you have I'll fix them. It's not a problem at all!

These are both great. A few things:

Lies. Just one thing. Is there a way to give me access to edit them? I have a few things I want to add, and I just know that I will go back and forth a little bit on this one. Let me know! (If not, I can have you do it, but I feel bad!)

Hello brother Pacini,
I asked my supervisor if I can take surveys for both of your classes and he agreed to it.
I am currently working on the survey as I have gained access to Qualtrics. I will have them ready by Wednesday.

Hello Brother Pacini,
This is Madeleine from the SCOTs program. Thank you for working with the SCOTs. I see that you have requested for a progress instructor consult from the SCOTs program. I would love to meet with you to discuss your goals. I tried looking for your schedule from the school website but could not find it. I was wondering if you will be available, either on Monday, Tuesday, or Wednesday from 11:30 am to 12:30 pm. If you have time, I would love to contact you via zoom or visit you in your office.
Please let me know, what time and method of contact works best for you.

Regards,
Madeleine Priscila M.
