In addition to your general observations, I would like your feedback on the following activities that I am focusing on improving in my classroom or teaching skills:

Observer: _Jeff Pulsipher_Class: ED 211_ Observation Date: 12/1/2022

GENERAL OBSERVATIONS

Organization and Preparation: *this includes items such as a written lesson plan, a board plan, management of role, announcements, papers, etc.*	
What worked well? • Students know what to do • groups work well and seem comfortable to share and teach with one another • announcement slide with objective and upcoming events • review at the end for closure and reflection	What could be strengthened? Some confusion about who is teaching
Management of the Learning Environment: *this includes items such as the classroom layout, use of technology or multi-media, establishing a learning culture, etc.*	
What worked well? • Continued building culture of learning through encouragement through • Great humor and connection to students • High engagement through guest speaker •	What could be strengthened? Consider less memes, I like them, but could be minimized to allow for more instructional time

Incorporation of the Learning Model		
Preparation: *this includes how student are invited and expected to participate and how the candidate creates accountability for these expectations.*	Teach One Another: *this includes in-class and out-of-class opportunities for students to collaboratively learn and instruct each other.*	Ponder and Prove: *this includes post-classroom assignments or activities that help students make connection with what they are learning along with how the candidate creates accountability for these expectations.*

What worked well?	What could be strengthened?
• Expectations set, followed even before Ben entered class • All allowed to teach one another • Focus on gospel principles
